## **EXPLANATION FOR MIS GPS 001 REPORT**

MIS GPS001 report includes vehicle locations, speeds, directions, Chicago Police Units and personnel Ids of the vehicles, and other information during the requested timeframe.

The report consists of two parts; (1) maps on which vehicle locations are marked, and labeled with index numbers, and (2) a table of detail information including x, y coordinates, speeds, directions and airbag activities for each marked location on the map. The following explains each part in detail.

#### Map:

The map report contains a snapshot of vehicle locations during the requested time frame, for each vehicle. The GPS Device ID, Vehicle number, Unit and Personnel ID are displayed at the bottom.

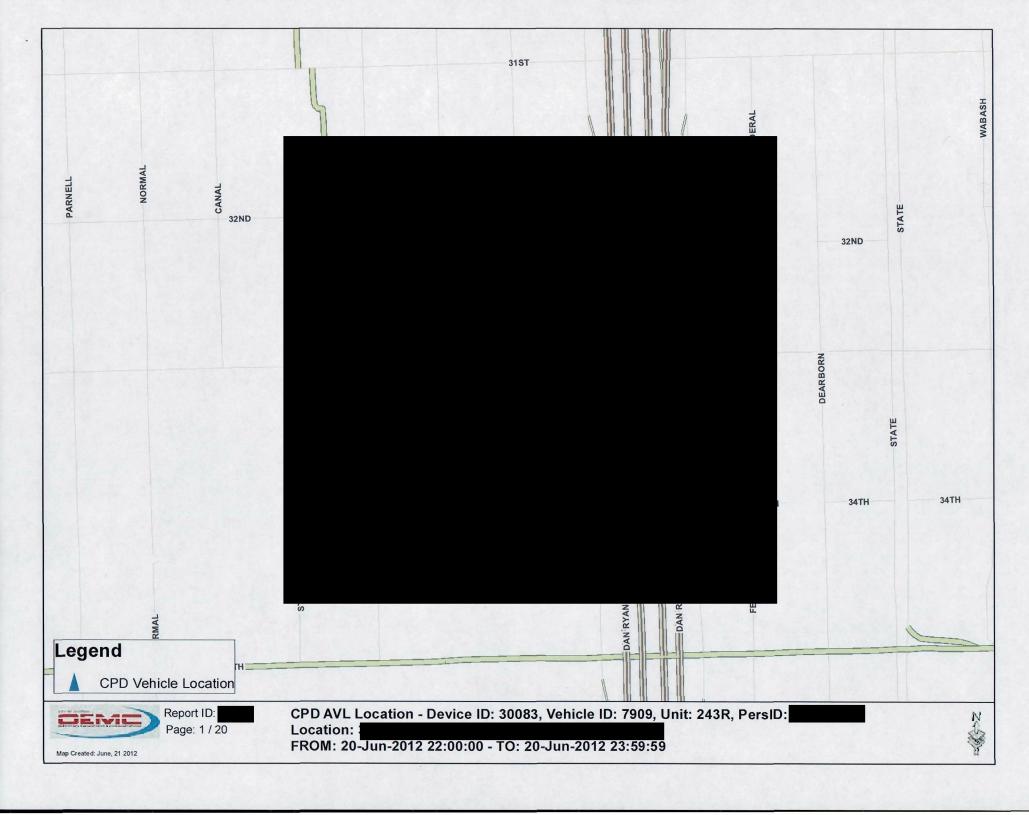

The blue arrows ( ) indicate the locations of the vehicle. And the numbers next to the blue arrows are the index numbers (ID) in the attached spreadsheet (table). Also the arrow shows the direction that the vehicle was heading to at that time.

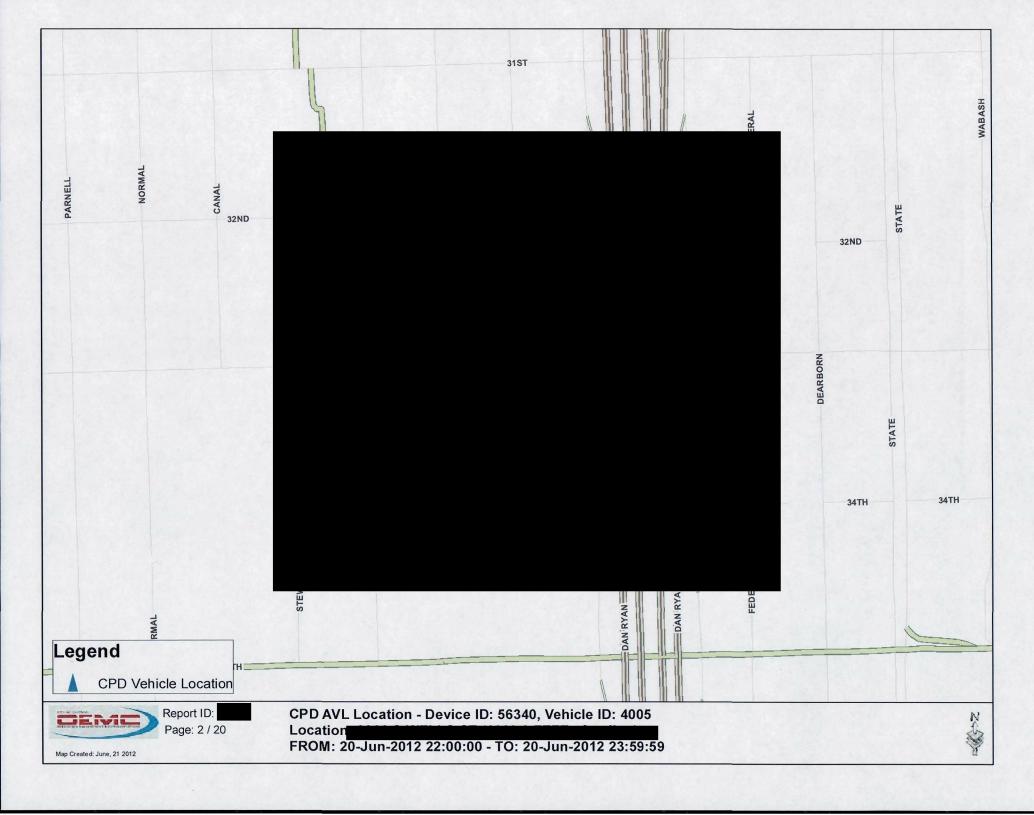

If the requested time frame exceeds two hours, the maps will be divided into two hours of period. For the detail information of each location data such as speed and direction, please see the table attached.

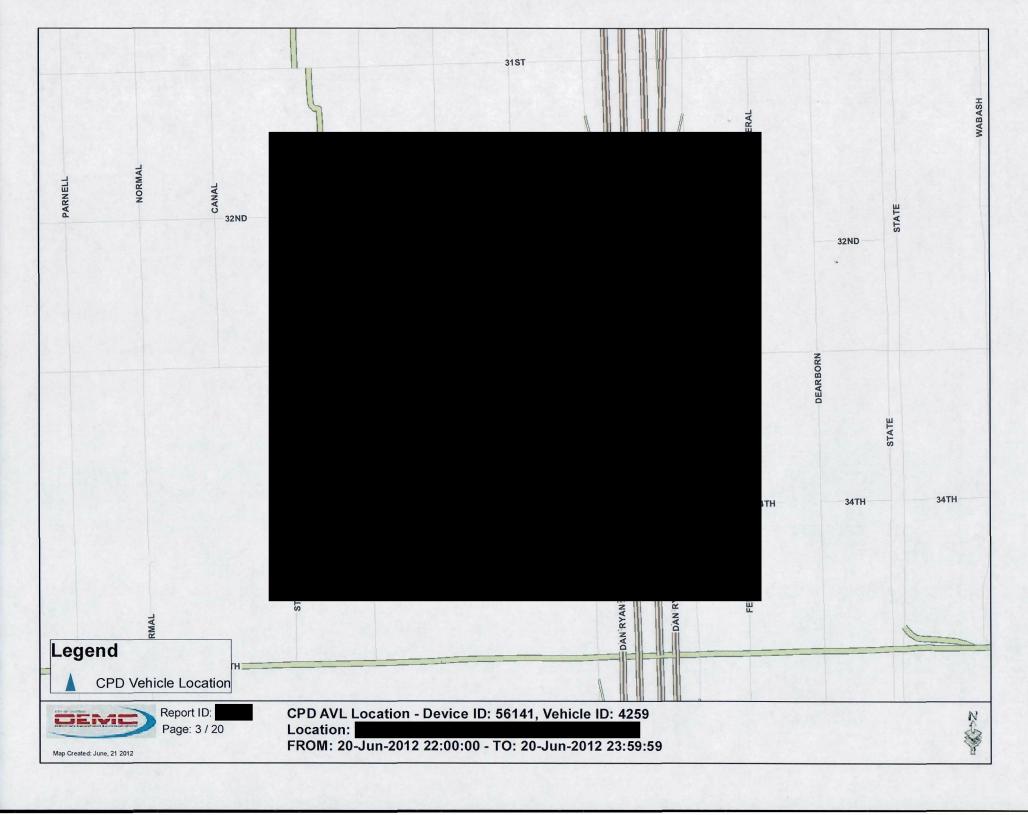

#### Spreadsheet (Table):

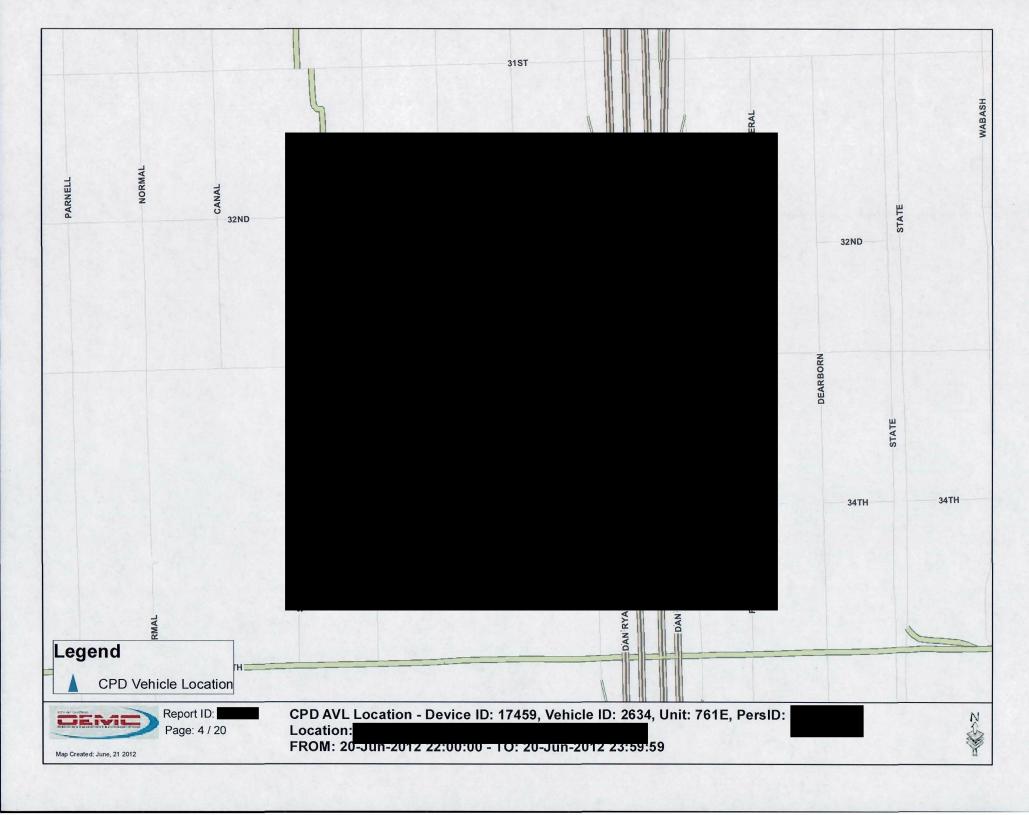

This table provides more information about each location data, marked on the maps. The following explains each column of the table.

CERTIFIED AND FIRST CLASS U.S. MAIL

Dear

On 21 June 2012, a complaint was registered on your behalf against a Chicago Police Department member under Log# 1054932. Our office has attempted to interview you and have you sign a Sworn Affidavit required by the Illinois Uniform Peace Officers Disciplinary Act. We have not yet obtained that interview and signed affidavit from you.

We have nonetheless begun to investigate the allegations made by you. But the fullest investigation of the complaint is possible only if I have your cooperation.

Please contact me at (312) 746-3609 ext. 1048 on or before the close of business on 21 July 2012 and schedule an appointment so you can provide a statement and sign a Sworn Affidavit.

Sincerely,

Investigator Daniel Købel
